Buy Quotation

After activating a purchase order, it is done through the Purchases Section to secure quotations for the required goods and add them with a Buy Quotation

and includes

Account: Name of the supplier who submitted the quotation

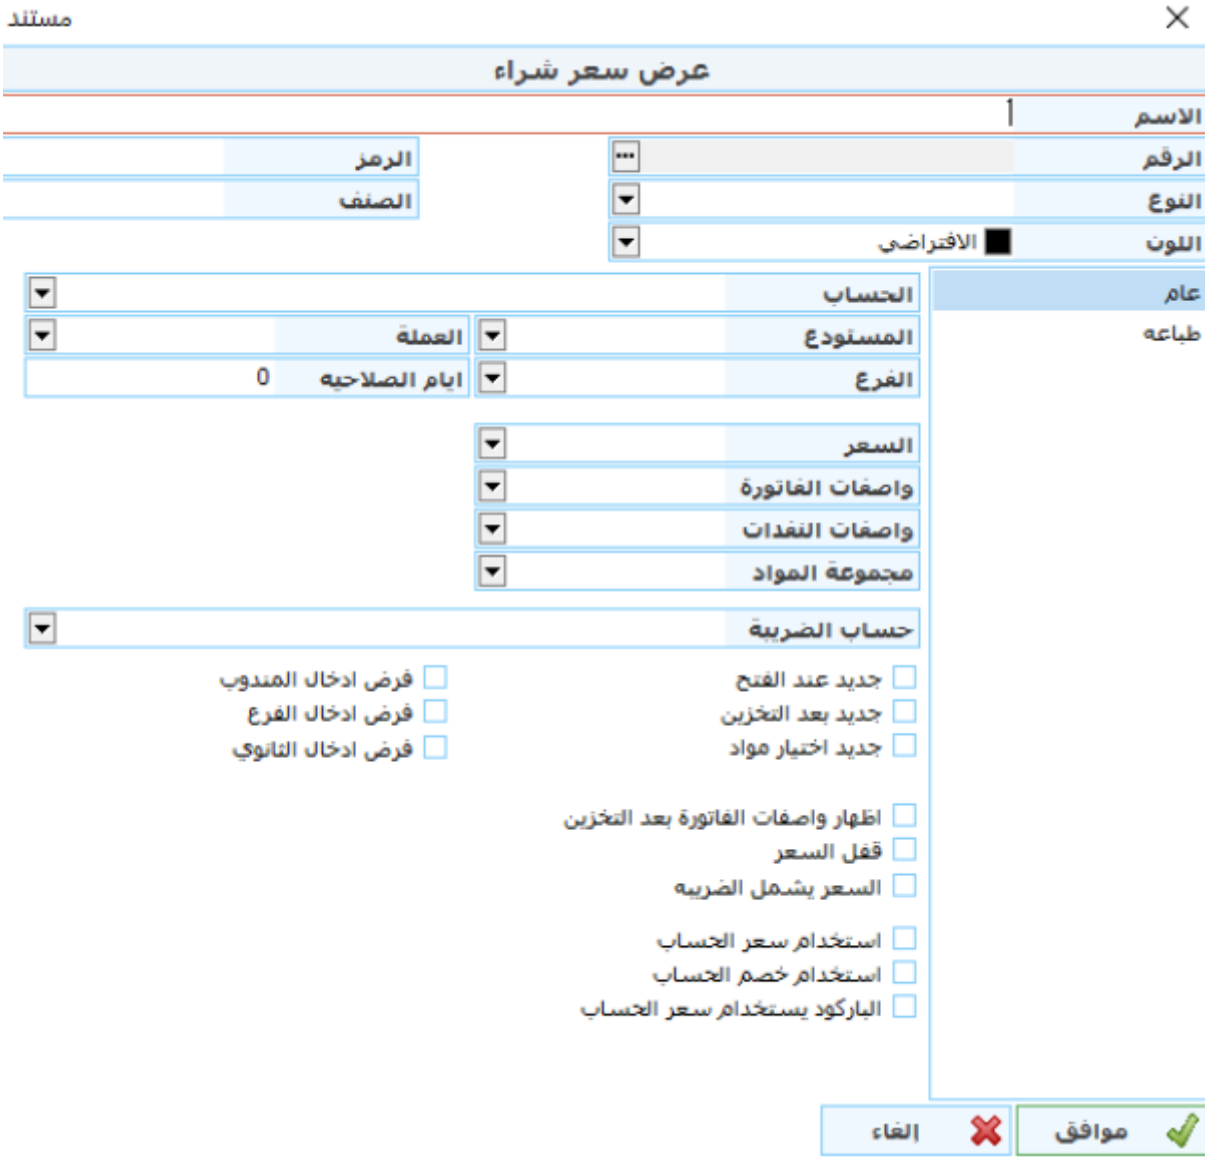

Expiration Date: Offer end date

Account dealer: If there is a dealer

Date: The date the quotation was issued

Purchase order: The purchase order for the quotation

A Buy Quotation muniment can be added from a file - tools - muniments - new - from orders - Buy Quotation
